

IPC Conservative Income Portfolio

If you like the stability of fixed income investments, but want the opportunity for greater yield, the IPC Conservative Income Portfolio may be just right for you. With a core focus on income-generating investments, the IPC Conservative Income Portfolio tilts toward the safety of fixed income investments for capital preservation purposes. It's a portfolio solution designed to provide regular income and the potential for higher yields relative to traditional income investments. This portfolio is suitable for investors who want regular income and the potential for modest long-term capital growth.

Key reasons to invest in this portfolio

- Seeking a regular stream of income with the potential for modest long-term capital growth.
- Multiple income sources including capital gains, dividends and interest to potentially enhance returns and provide tax-efficient income.
- Suitable for investors with a low tolerance for risk.
