

# IPC Private Wealth Visio **Balanced Growth Pool**

This Pool provides access to professional portfolio managers who invest in a relatively smaller, concentrated set of equities and a select portfolio of investment grade bonds, and provides enhanced diversification through international ETF holdings. Brown Advisory, the active equity sub-advisor, seeks to identify durable businesses that possess a combination of fundamental strength, sustainable competitive advantages, and compelling valuation. The Pool's asset class weightings will generally be 50% to 70% in equity securities and 30% to 50% in fixed-income securities. We maintain the optimal target mix by strategically and automatically rebalancing the Pool regularly.

## Key reasons to invest in this portfolio:

- You want a sophisticated, yet simplified solution that provides access to a concentrated selection of equity and fixed income securities combined with ETFs
- A globally diversified portfolio that provides a transparent and understandable investment approach
- A balance of regular income with the potential for capital growth
- Low to Medium tolerance for risk

<sup>1</sup> Effective November 7, 2023, the U.S. Growth allocation in this pool/portfolio was assumed by Brown Advisory (previously Marsico Capital Management). The asset allocation weights depicted above represent the neutral allocations for the Pool rather than the current allocation as of the date of publication. The neutral allocation may comprise of a combination of investments in equities, fixed income securities, securities that are designed to track a market index or other securities. Counsel Portfolio Services, the portfolio manager of IPC Visio, has the discretion to change the allocation to certain asset classes.

<sup>2</sup> Effective holdings of the Pool are held either directly, or through an underlying mutual fund. Asset allocations reflected as a percentage of the Pool's net asset value. For information on the Pool or the underlying Counsel funds, please read the Fund Facts, Simplified Prospectus and/or other reporting documents before investing, available at [www.ipcportfolios.ca](http://www.ipcportfolios.ca).

Note: Occasionally, a negative value may be reported for Cash holdings that reflects the sale of securities and/or redemption transactions that have not settled at month end.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

IPC Private Wealth Visio Pools refers to Counsel Portfolio Services' IPC Private Wealth Visio Pool investment solutions.
